

College of: Arts & Sciences Degree/Major: BS/Chemistry Option: ACS Academic Year: 2016-17

Proposed Four-Year Degree Plan (120 Total Hours)

The following is an example 8-semester plan. This is used to illustrate the course sequencing and the expectations for course loading. Students may use this as a guide as they plan their undergraduate education, but should adjust it to fit their personal goals. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic advisor prior to course enrollment each semester.

- Assumption:**
- 1) Entering students have 2 years of a foreign language from high school.
 - 2) Entering students have sufficient preparation to place into MATH 2144 (Calculus I).

Current Course Rotation: (F) = Fall only (Sp) = Spring only
 Students must refer to the current course catalog for the availability of course offerings as well as visit with their academic advisor to find out about any special offerings.

Year One					
Fall Semester			Spring Semester		
A&S	1111	First Year Seminar	ENGL	1213	Freshman Composition II
ENGL	1113	Freshman Composition I	CHEM	1515	General Chemistry II
POLS	1113	American Government	PHYS	2014	General Physics I
MATH	2144	Calculus I	MATH	2153	Calculus II
CHEM	1314	General Chemistry I			
Total: 15 credit hours			Total: 15 credit hours		
Get involved with student organizations to further your experiences.			Register with Career Services for countless opportunities. It is free!		

Year Two					
Fall Semester			Spring Semester		
HIST	1103	Survey of American History		3 hours	Humanities (H) with Diversity (D)
	3 hours	Social Science (S) with International (I)	BIOL	1114	Introductory Biology
CHEM	3053	Organic Chemistry I	CHEM	3153	Organic Chemistry II
MATH	2233	Differential Equations	CHEM	3112	Organic Chemistry Lab (Sp)
PHYS	2114	General Physics II	MATH	2163	Calculus III
Total: 16 credit hours			Total: 15 credit hours		
Interested in Study Abroad? This would be a good time to visit the Study Abroad Office.			Struggling in classes? Make sure to visit your professors during office hours, or visit the LASSO Center for tutoring (021 Classroom Bldg).		

Year Three					
Fall Semester			Spring Semester		
	3 hours	Upper-Division Humanities (H)		3 hours	Upper-Division Additional General Education
CHEM	2113	Principles of Analytical Chemistry (F)	CHEM	3353	Descriptive Inorganic Chemistry (Sp)
CHEM	2122	Quantitative Analysis Laboratory (F)	CHEM	3532	Physico-Chemical Measurements (Sp)
CHEM	3433	Physical Chemistry I	CHEM	3553	Physical Chemistry II (Sp)
CHEM	4990(1)	Special Problems	CHEM	4990(1)	Special Problems
MATH	3013	Linear Algebra		3 hours	Electives (not CHEM)
Total: 15 credit hours			Total: 15 credit hours		
Interested in an internship? This is an ideal time to research options.			Interested in graduate school, start studying and plan for the GRE.		

Between Years Three and Four, contact your advisor about an official graduation check.

Year Four					
Fall Semester			Spring Semester		
CHEM	4320(3)	Chemical & Spectrometric Identification of Organic Compounds (F)		3 hours	Arts & Humanities
CHEM	5260(3)	Inorganic Chemistry I (F)		4 hours	Additional General Education (not CHEM)
BIOC	3653	Survey of Biochemistry	CHEM	4020(5)	Modern Methods of Chemical Analysis (Sp)
	3 hours	Electives		2 hours	Electives
	3 hours	Electives			
Total: 15 credit hours			Total: 14 credit hours		
Be prepared to apply for Spring graduation this semester.			Celebrate your accomplishment Graduation with your fellow Cowboys!!		

OTHER REQUIREMENTS:

The College of Arts & Sciences requires 6 hours Upper-Division General Education outside the major department.

Total hours must include at least **40 hours** in courses numbered **3000** or above.

Hours in one department in excess of **54** will be added to the minimum total of **120** required for graduation.

At least **60** hours must be completed at a four-year institution. At least **30** hours must be completed at OSU.

15 of the final **30** hours completed, or **50%** of the upper-division hours in the major field must be completed at OSU.

Limit of: one-half of major course requirements as transfer work; one-fourth of hours earned by correspondence; 8 transfer correspondence hours.

1. GENERAL EDUCATION REQUIREMENTS

No more than two courses (or eight hours) from the major department may be used to meet General Education and College and Departmental Requirements. The General Education required English Composition, required U.S. History, required American Government, one required MATH or STAT course, and required foreign language for B.A. degrees do not count against the two-course maximum.

2. A&S COLLEGE/DEPARTMENTAL REQUIREMENTS

a. Arts and Humanities are defined as any course carrying an (H) designation or courses from AMST, ART, ENGL (except 3323) HIST, MUSI, PHIL (except 1313, 3003 and 4003), REL, TH, and foreign languages (second year and above). No more than six hours may be music or theatre performance or art studio.

b. Natural and Mathematical Sciences are defined as any course from the following prefixes: ASTR, BIOC, BIOL, BOT, CHEM, CS (except 4883), GEOL, MATH, MICR, PHYS, STAT and ZOOL; or courses from other departments that carry an (A) or (N) general education designation.

c. The required six hours of upper-division General Education may not include courses from the student's major department. This requirement may be satisfied by courses also used to satisfy any part of a student's degree program (i.e., in General Education, College Departmental Requirements, Major Requirements or Electives).

e. The College of Arts & Sciences requires a minimum 2.0 GPA in all major requirements and a minimum 2.0 GPA in all major-prefix courses.

3. FOREIGN LANGUAGE PROFICIENCY

a. The foreign language requirement for the B.S., B.M. and B.F.A. may be satisfied by presenting a high school transcript which demonstrates two years of study of a single foreign language (passing grades at second year level of study). It may also be satisfied by 10 hours college credit in the same language, or equivalent proficiency (e.g., passing an advanced standing examination; completing a second-year or higher college-level course in the language, etc.), utilizing elective hours.

b. In addition to a., students pursuing secondary education teacher certification must meet novice-high foreign language proficiency by presenting a high school transcript which demonstrates two years of study of a single foreign language with no grade below B. Or, students may complete 5 hours college credit in the same language with no grade below C (or pass an advanced standing examination equivalent to 5 hours of college credit.)

4. EXCLUSIONS

a. Courses used to satisfy the English Composition, American History and Government requirement will not count toward the 54 hour maximum allowed from one department.

b. Courses with ATHL or LEIS prefixes and leisure activity courses may not be used for degree credit.
