

COLLEGE OF  
ARTS AND SCIENCES

# Political Science

## MAJORS

Political Science, BA  
Political Science, BS

Political Science: Pre-Law, BA  
Political Science: Pre-Law, BS

As a **Political Science** major, you will learn to think independently, communicate effectively, understand complex social structures and function effectively in a multicultural world. You will gain skills that are adaptable to an ever-changing job market.

The particular emphasis of a political science education uniquely prepares one for knowledgeable and effective citizenship at all levels of the political system. You can further refine your expertise by focusing on one of the major subfields within the political science major.

## PROGRAM HIGHLIGHTS

- **American Politics** - current and classical work on the American government
- **Comparative Politics** - comparison of domestic politics in countries around the world
- **International Relations** - relations between countries, including such topics as foreign policy, conflict, trade and foreign aid
- **Political Theory** - the study of classical and contemporary writing on politics, authority, liberty, citizenship, justice, rights, law and civic ethics
- 3+3 Law Option for early admission
